LESS FOR QUANTITY ORDERS

Wood grain / optional colours are \$80 extra

Optional colours and wood grain finishes for Standard, Bariatric and Ward beds

Choose from our range of popular colours and wood grains to complement your decor.

We only use quality Dulux powder coating paint and our wood grain laminates are of the highest quality.

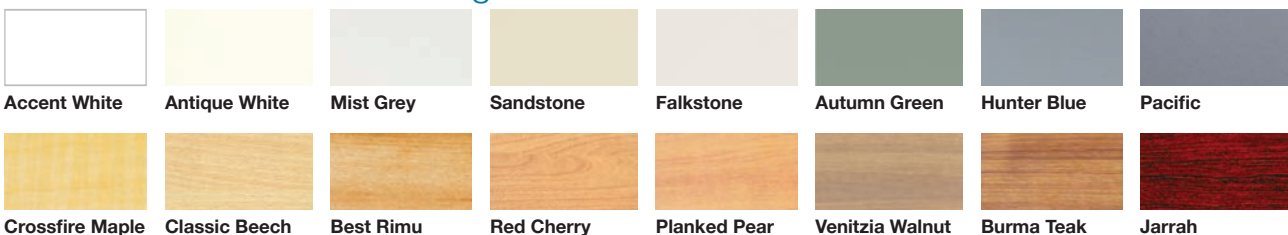

A more extensive range is also available on application if you have a particular colour or wood grain you'd like to complement or match.

Please note that an additional \$80 charge applies for optional frame and bed end colour combinations.
