

ENVIRONMENTAL POLICY STATEMENT

Unique Care specialises in the design and manufacture of Electric Adjustable Beds and Accessories suitable for Aged Care, Home Care and Hospitals. Electric Adjustable Beds are our core product. We are continually adding new designs to expand our broad product range. Our head office is located in Moolap, Victoria.

Unique Care's environmental management system applies to all operations and services of Unique Care. All staff are expected to comply with the spirit of this policy.

We at Unique Care aim at achieving continual environmental improvement through implementing a management system with objectives and targets to minimise our environmental footprint by working with staff and other stakeholders through pollution prevention practices in compliance with legal and other requirements and to be a role model for others to follow.
