

# SAFECARE FLOOR BED (SWL 300KG)

Australian owned & made means you get superior products backed by our reliable team of technicians right here in Australia.

**NO CHAINS**  
Actuator Driven for  
Low Maintenance  
**SWL 300kg**

## AUSTRALIA'S BEST SELLING LOW LEVEL BED

Created by Unique Care, the SafeCare Floor Bed combines the most advanced safety features with a modern streamlined design. Currently the lowest floor bed available on the market with a lowered height of only 50mm to minimise injury from falls.

This visually appealing design combines the highest quality components and workmanship with our consistently competitive prices.

By buying the Proudly Australian Made SafeCare Floor Bed direct from our factory floor you get the maximum benefit of our lean production costs, the technical and aesthetic qualities and ultimate after sales service.

### Standard inclusions

- Electric height and back adjustment
- Electric adjustable Trendelenberg tilt
- Personal hand control
- Patient lock-out magnetic swipe key
- Head board color Antique White
- Head and foot board (removable)
- Full clearance for lifting machines
- Maximum height 750 mm
- Minimum height 50 mm
- Mattress base 820 x 1920 mm
- 10 year structural warranty
- 5 Year electrical warranty

### UNIQUE BENEFITS:

- When the Mattress platform is raised, the end columns remain at the same low fixed height (illustrated) so they don't obstruct your view of the resident.
- Headboard designed to prevent hair entrapment.
