

# SAFECARE FLOOR BED

“Australian owned & made means you get superior products backed by our reliable team of technicians right here in Australia.”

## AUSTRALIA'S BEST SELLING LOW LEVEL BED

Created by Unique Care, the SafeCare Floor bed combines the most advanced safety features with a modern streamlined design. Currently the lowest floor bed available on the market with a minimum height achievable of only 50mm.

This visually appealing item of furniture combines the highest quality materials and workmanship with our usually competitive prices. By buying the proudly Australian made SafeCare Floor Bed direct from our factory floor you get the maximum benefit of our lean production costs, the technical and aesthetic qualities and ultimate after sales service.
